

EUCISE2020 Standardization Workshop

EUCISE2020 project progresses rapidly towards demonstrating the added value of CISE. It aims at creating a test-bed network of national nodes connecting participating maritime Member States and authorities for cross-sector and cross-border information exchange.

The workshop will provide information on the results already achieved and the envisaged standardization policy.

Date: June 21, h. 09:30 - 15:00

Venue: Bruxelles, Bedford Hotel & Congress Centre, Rue du Midi 135, 1000
